This groundbreaking book—the first one written about James Jordan—reveals Jordan’s important role in making Des Moines the capital city of Iowa, shaping early Iowa business and politics, aiding fugitive slaves as they escaped through the Underground Railroad, and much more. The book tells the story of the Jordan family’s decision to settle in Iowa and describes their lifestyle as pioneers and how it changed during the Victorian era. Full of fascinating history about the greater Des Moines area, the book shares little-known facts and stories readers will enjoy.
