

2022 Valley Junction Farmers Market Non-Mainstage Performer Application

The Valley Junction Farmers Market offers non-mainstage performers (1) space once per week, at the Swander Gazebo on Maple or in the 5th & Maple intersection. The HVJF Farmers Market is held on Thursdays from 4:00—8:00 pm from May 5 through September 29 (set up begins at 3:00 p.m.) Date requests will be considered on a first-come, first served basis. Applying does NOT guarantee placement. Unfortunately, our current event budget does not allow us to pay non-mainstage event performers; however, you are welcome to place a tip jar while performing during our event. Performance locations are not guaranteed and may be relocated as needed by HVJF. **Amplification is NOT permitted unless in the Swander Gazebo.** Electricity at the Gazebo is limited. If requiring additional electricity, you are required to provide a muffled generator (Honda 3000is or similar). **Please, be considerate of the Farmers Market vendors & customers while you are performing.** Once scheduled, performance dates/locations will be verified by HVJF. Thank you for your interest.
