As the property owner of, _____ I give SignUP Valley
(property address)
Junction and its agents permission to install a new projecting or wall sign on my property.

Any signage installed will meet the City of West Des Moines's relevant zoning, historic district, and legal guidelines and any permits or agreements with the City will be secured by SignUP Valley Junction and its agents and issued in my name.

I understand that it is possible that this may prevent any additional signs from being installed under current zoning regulations.

I understand that SignUP Valley Junction is an investment in my community and is a collaborative partnership between business owners, artists, sign fabricators and subject matter experts.

I have reviewed and do approve the final sign plan.
