

2023 Valley Junction Farmers Market

Non-Mainstage Performer Application

The Valley Junction Farmers Market offers non-mainstage performers (1) space once per week, at various locations on 5th Street. The VJ Farmers Market is held on Thursdays from 4:00 to 8:00 p.m., May 4 through September 28. Set up can begin no earlier than 3:00 p.m. Date requests will be considered on a first come, first served basis. Applying does NOT guarantee placement. Our current event budget does not allow us to pay non-mainstage event performers; however, you are welcome to place a tip jar while performing. Performance locations are not guaranteed and may be relocated as needed by HVJF. Amplification is permitted if kept at a reasonable volume. Please, be considerate of the Farmers Market vendors & customers while you are performing. If vendors, attendees or staff voice concerns over the volume of your performance, you will be asked to turn down the level or remove the amplification. If requiring electricity, you are required to provide a muffled generator (Honda 3000is or similar). Once scheduled, performance dates/locations will be confirmed by HVJF staff through email. Thank you for your interest.
